Rupendra Harle

Data Analyst • Business Intelligence • Power BI • SQL • Python • Excel

7400881081 | rupendraharle513@gmail.com | Indore, MP | LinkedIn

CAREER OBJECTIVE

Detail-oriented Data Analyst with strong expertise in SQL, Power BI, Python, and Excel, passionate about transforming raw data into actionable business insights. Adept at building interactive dashboards, performing root-cause and trend analysis, and communicating findings to non-technical stakeholders. Eager to apply analytical thinking, KPI reporting, and business intelligence skills to support data-driven decision-making in a dynamic organization.

TECHNICAL SKILLS

BI & Reporting	Power BI (DAX, Power Query, KPI Cards, Drill-through, Slicers), Excel Dashboards, MIS Reports
Excel	Pivot Tables, VLOOKUP, XLOOKUP, INDEX-MATCH, Power Query, Power Pivot, Conditional Formatting
Database & SQL	SQL, MySQL, PostgreSQL — complex queries, joins, aggregations, subqueries, CTEs
Python Analytics	Pandas, NumPy, Matplotlib, Seaborn — EDA, data cleaning, statistical analysis
Visualization	Power BI, Excel Charts, Matplotlib, Seaborn, Google Sheets
Other Tools	GitHub, Jupyter Notebook, Google Sheets, MS Office Suite

KEY PROJECTS

Customer Churn Analysis & Business Insights Dashboard | *Python · Pandas · Matplotlib · Seaborn*

- Imported, cleaned, and transformed customer datasets — handled missing values, duplicate records, and data type inconsistencies using Pandas.
- Performed comprehensive EDA to identify churn patterns across contract type, tenure, monthly charges, payment method, and support usage.
- Created comparative visualizations of churned vs. retained customers, revealing that month-to-month contract holders with short tenure churned at significantly higher rates.
- Business Impact: Identified high-risk customer segments and recommended targeted loyalty programs and personalized support campaigns.

Sales & KPI Performance Dashboard | *Power BI · DAX · Power Query · Excel*

- Designed and developed an interactive Power BI dashboard tracking key business KPIs — revenue, customer growth, churn rate, and product performance.
- Implemented DAX measures, calculated columns, and drill-through reports enabling stakeholders to analyze trends at regional and product levels.
- Automated data refresh workflows using Power Query, reducing manual reporting effort and ensuring real-time business visibility.
- Delivered actionable insight summaries enabling management to identify underperforming segments and allocate resources effectively.

SQL-Based Business Reporting & Data Analysis | *MySQL · PostgreSQL · Excel · Google Sheets*

- Wrote complex SQL queries (JOINs, CTEs, window functions, subqueries) to extract, aggregate, and analyze business data from relational databases.
- Built structured MIS reports summarizing daily/weekly/monthly trends in sales, operations, and customer activity for management review.
- Developed Excel-based dashboards with Pivot Tables, VLOOKUP, and conditional formatting to present clean, decision-ready summaries.

EDUCATION

Master of Business Administration — Information Technology — *July 2023 – May 2025*

Amity University (AU), Noida | CGPA: 9.0 / 10.0

Bachelor's Degree (Undergraduate) — *Sep 2018 – Feb 2022*

IPS Academy | CGPA: 7.10 / 10.0

CORE COMPETENCIES & DATA ANALYTICS KNOWLEDGE AREAS

Data Cleaning & Transformation • Exploratory Data Analysis (EDA) • KPI Tracking & Monitoring • Dashboard Development • Business Reporting • Data Storytelling • Trend & Root Cause Analysis • Statistical Analysis • Data Modeling • Business Intelligence • Stakeholder Communication

ACADEMIC ACHIEVEMENTS & HIGHLIGHTS

- Achieved CGPA of 9.0/10 in MBA (Information Technology) — Amity University, Noida.
- Strong academic foundation in Data Analytics, Business Intelligence, Database Management, MIS, and Statistics.
- Demonstrated ability to deliver data-driven business recommendations through end-to-end analytical projects.
- Proficient in the complete Data Analysis lifecycle: data ingestion → cleaning → analysis → visualization → reporting → insight delivery.
